SOCIAL ACTIVITY:

Throughout the day the band has a pavilion #14 reserved where we can meet and eat together. Some people plan to bring their food to the pavilion around 5pm for dinner. Plan to join them for dinner with band members and family. Some other things to attend: Kiski Valley Community Band performs at 4pm; The Saxophone Zephyrs will also play in the park, listen for announcement at rehearsal. We have invited members of the Kiski Band to mingle with us at the pavilion during the day.

Sunday, July 13, 2008:

CONCERT: 3pm - Twin Lakes Park

SOCIAL ACTIVITY: EWSB Summer Picnic. The band has reserved pavilion #1 for the annual picnic after the concert. Please plan to stay after the concert and enjoy the afternoon with band members and families. This pavilion is a short walk from where we perform. It is easy to get to from one of the parking lots as well.

The band will be providing hot dogs, hamburgers, and veggie burgers. The rest of the meal will be potluck. There are sign up sheets asking people to sign up for things like salads, drinks, buns/bread, dessert, chips, other side dishes, condiments, etc. We also request anyone who has a portable grill that may be willing to bring it to the concert as a back up to speak to a member of the social committee. There will also be a sign up sheet asking for members to indicate if they are coming and how many family members will be with them so we have an idea of the number of people for food.
